

INVITATION

Webinar 1: The use of participatory approaches towards SDG implementation in SADC HEIs

You are cordially invited to attend the SARUA webinar on participatory approaches towards implementation of SDGs in HEIs. This follows on the study SARUA undertook around the engaged university insofar as the use of participatory approaches are used toward implementation of the SDGs.

This webinar will discuss the selection of the participatory approaches as well as the institutional level at which this is managed and hosted (i.e. centralized at the institutional level or spiraled within faculties/departments/individuals).

Facilitators: Prof Marirajan Thiruppathi (DVC Research & Innovation, Unicaf University, Zambia), Dr Thabiso Nyabanyaba (Director Development Planning, National University of Lesotho).

Date: 27 July 2023

Time: 14:00–16:00

Registration link: <https://sarua-org.zoom.us/meeting/register/tZwkcOGorjshHdMeSEypTWFzZ1VNU7jLmUMv#/registration>

Note that SARUA will host further webinars on the topic on 3 August and 10 August.
