

  
WEBINAR**INVITATION****WEBINAR: 24 October 2024****Digital Literacy and Pedagogy for Tomorrow's Education Leaders**

**Join us for an empowering webinar:  
Digital Literacy and Pedagogy for Tomorrow's Education Leaders!**

**Date:** 24 October 2024  
**Time:** 14:00  
**Platform:** Zoom

**What to expect**

Elevate your educational leadership with enhanced digital competencies and innovative teaching practices! This session, hosted by Executive Education Online, will focus on integrating digital technologies into teaching to create a modern, engaging, and effective educational environment. Discover how SARUA and member universities collaborate to drive forward-thinking pedagogy.

**Why attend?**

This webinar is essential for educators, administrators, and academic leaders eager to stay ahead in the rapidly evolving educational landscape. Gain insights into how SARUA and its member universities enhance digital literacy and integrate innovative teaching practices to foster a future-ready educational environment.

**Collaborative opportunities**

- **Networking:** Connect with peers and thought education leaders to share ideas and best practices.
- **Shared resources:** Access a wealth of resources and expertise on digital literacy and pedagogy through SARUA's collaborative networks.
- **Case studies:** Learn from case studies and success stories within the SARUA community, showcasing effective integration of digital technologies in teaching.

**KEY HIGHLIGHTS**

- **Digital Competencies:**  
Learn about the essential digital skills needed for modern educational leaders.
- **Innovative Pedagogy:**  
Explore strategies for integrating digital technologies into teaching practices.
- **Enhancing Engagement:**  
Discover methods to make learning more interactive and engaging using digital tools.
- **Future-Ready Education:**  
Understand how to prepare students for the digital age through effective pedagogy.
